DETERGENT

General Warewashing
CHEM-AD-002
Size: 5 Litre Drum

Advanced formula that removes stubborn stains and food deposits for a thorough and professional clean.

Has high sequestrate content, which allows it to be used effectively in both soft and hard water areas.

Ideal for cleaning:

- ✓ Plates
- ✓ Crockery
- ✓ Cutlery
- ✓ Utensils

Glass Washers
CHEM-AD-003

Size: 5 Litre Drum

A machine glasswash detergent that removes stains and soiling, leaving glassware sparkling.

Ideal for cleaning:

- ✓ Glasses
- ✓ Glassware
- ✓ Tumblers

RINSE AID

General Warewashing
CHEM-AD-004
Size: 5 Litre Drum

Prevents spots and hazing for a sparkling finish. Blend of specialist surfactants and mild acids in a taint-free aqueous base.

Ideal for cleaning:

- ✓ Plates
- ✓ Crockery
- ✓ Cutlery
- ✓ Utensils

Glass Washers
CHEM-AD-005

Size: 5 Litre Drum

Specifically formulated to give glassware a sparkling, spotless and smear-free finish. Results in fast-drying, gleaming glassware which is immediately ready for service.

Ideal for cleaning:

- ✓ Glasses
- ✓ Glassware
- ✓ Tumblers

DEGREASER

Universal Degreaser
CHEM-AD-006
Size: 5 Litre Drum

Universal blue, alkaline cleaner and degreaser concentrate, designed to dissolve the toughest grime and leave a spotless finish.

Ideal for cleaning:

- ✓ Food oils, fats and blood
- ✓ Industrial oils and grease
- ✓ Dirt and grime

Suitable for a multitude of surfaces, including:

- ✓ Machinery and equipment
- ✓ Concrete and painted floors
 - ✓ Anti-slip floors
 - ✓ Industrial paintwork
- ✓ Plastic walls and ceilings
 - ✓ Ceramic tiles
 - ✓ Plastic coatings
 - ✓ Stainless steel

STAINLESS STEEL CLEANER

Stainless Steel Cleaner
CHEM-AD-007
Size: 750ml Trigger Spray

Specially formulated, food safe stainless steel cleaner for use on all stainless steel surfaces. Removes stubborn stains, hard water deposits and discolouration.
